DEBBY SINKALU

PROFESSIONAL SUMMARY

Experienced Senior Front-End Developer with a demonstrated track record at Wakanow.com Limited, adept at enhancing codebase reusability for enhanced maintenance. Always on the forefront of learning, I have swiftly adapted to emerging technologies, guided junior developers as a mentor, and maintained code quality through rigorous pull request reviews. Having successfully helmed projects from idea to launch as a technical team lead, my expertise with Agile management tools ensures streamlined project progression. Empowered by a Master's in Technology Project Management from Cardiff Metropolitan University.

WORK HISTORY

Senior Front-end Engineer, 09/2019 to Current
Wakanow.com - Remote

- Demonstrate the ability to write high-quality code, developing new modules/components using the React JavaScript library and Redux, including RTK/RTK Query.

- Develop, test, and debug web and mobile web applications.

- Actively participate in strategic planning with the product and design teams to ensure our development initiatives align with company goals and user needs.

- Ensure our platform is accessible on various devices through responsive design, providing an optimal viewing and interaction experience.

- Focus on optimizing the website's performance, ensuring fast load times and smooth transitions between different sections and pages.

- Maintain a high standard of code quality, implementing best practices and conducting code reviews to ensure maintainability and scalability.

- Work on integrating various APIs smoothly to ensure seamless data flow between the front-end and back-end systems.

- Collaborate with cross-functional teams, including back-end developers, designers, and product managers, to deliver cohesive and well-rounded products.

- Led the initiative to improve the website's performance, reducing load times and enhancing the overall user experience.

- Spearhead innovations in our front-end development processes, introducing modern technologies and methodologies that enhance productivity and quality.

SKILLS

- Azure – 7 years
- Git – 7 years
- Agile – 7 years
- Angular – 7 Years
- React/Redux – 7 years
- Typescript – 7 years
- JavaScript – 7 years
- Material UI/Ant Design/Bootstrap – 7 years
- HTML/CSS – 7 years
- Context API – 4 years
- RESTful API – 7 years
- Unit Testing - 7 years
- PostgreSQL – 1 years
- Node – 1 years
- CI/CD Pipline – 7 years
- Data Analysis with Excel/Python/PowerBI/ SQL – 3 years
- IT Project Management – 6 years
- Leadership skill
- Communication skill

- Work closely with the UX/UI designers to create visually appealing and user-friendly interfaces, constantly aligning with the latest design trends and user expectations.
- I participate in agile development processes, working in sprints, and constantly adapting to changing requirements and feedback.
- I maintain open communication channels with stakeholders, gathering feedback and making necessary adjustments to meet or exceed expectations.
- Experience Implementing and automating CI/CD deployment pipelines using Jenkins.
- Utilize versioning tools like Git for efficient code management.
- Lead the deployment, support, and monitoring of software across test, integration, and production environments.
- Provide technical leadership, mentoring junior developers, and fostering a collaborative and inclusive environment.

Front-End Engineer, 08/2017 to 09/2019
Wakanow.com – On-site
- Develop, test, debug and maintain web and mobile web applications.
- Participated in agile development process, including sprint planning and retrospective meetings.
- Worked closely with designers to implement visually appealing user interfaces
- Collaborate with the backend developers in building features and efficiency for the realization of the anticipated end product.
- Employed coding practices based on commonly accepted standards to establish site layout and user interface.

EDUCATION

MSC Technology Project Management (2023)
Cardiff Metropolitan University - Cardiff

Bachelor of Education, Educational Technology 2.1(2008)
 University of Ilorin - Ilorin
